<sup>1</sup> 1a–37b seems to be writing of first scribe, 38a–end seems to be writing of second scribe. The size of letters and color of the ink is different. Has not been verified by letter examination.

<sup>2</sup> Quires are numbered.

<sup>3</sup> 8b is end of quire τς, which indicates that the MS originally probably had Acts as well as Paul.

Leaf 36 is torn
