Interesting or significant material: After leaf 134 in VK 908 (see GA 2892), the numbering of the manuscript is inexplicably off by 8. Thus, at the end, “177” = 185, which is leaf 15 of GA 2893.

Codex VK 908 contains two manuscripts. The first consists of 170 leaves (1–170, foliated 1–162) and contains Acts (beginning at 7:40), the Catholic epistles, and the Pauline epistles through 1 Timothy 4:8a. The second manuscript consists of 15 leaves (171–185, foliated 163–177) and begins at 1 Timothy 4:7b, continuing through 2 Timothy, Titus, Philemon and Hebrews, ending at Hebrews 8:8.
