CSNTM description:

MS number: GA 2895
Contents: e (Mt begins on 67)
Date: XVII
Material: paper
Columns: 1
Lines per page: 18
Dimensions: 10.5 x 7.5 cm
Shelf Number: VK [VanKampen] 272

Leaves: 288

Page count: 23 was missed; beginning at "23" the actual pages will be one more than what is written. The page after "23" is also blank. 82 was missed (next leaf is called "81"). Thus, at "81," add three. "169" is repeated. Thus, at the second "169," add four. After "210" there is no "211" or "212." The numbering starts on "213." Thus, actual is plus 2 over what the text says. 576 images total.

Cover material: outside over with spine only. 6 images total.

UV: (MS pages, not ours): None.

Interesting or significant material: Very small manuscript. Many nice illuminated letters throughout the MS. 47v, 67r, 69v, 102v, 136v, **158v** (Mk icon); 159r (Mk intro); 198v (end of Mk); **199v** (Lk icon); 200r (Lk starts); 223v, 238v, 248r.

The actual text is only 6.3 x 4 cm. Many pages are crooked.

July 10, 2008: dbw
