CSNTM description:

MS number: GA 2897
Contents: e
Date: XIII
Material: parchment
Columns: 1
Lines per page: 20–26
Dimensions: 20.5 x 16.5 cm
Shelf Number: VK [VanKampen] 906

Leaves: 220

Page count: 440

Pagination gets off at 32r. It is skipped, followed by 33r being called 32. Incorrect numbering to the end of the manuscript (the actual number is one higher than the written number).

Cover material: outside cover, spine (4 images).

UV: (MS pages, not ours): 160r (erased text).

Interesting or significant material: Very stylized lettering. Dark black ink; parchment has been trimmed to fit in a new cover. Unfortunately, although it produced a uniform size for the leaves, the outer margin Eusebian canons were partially cut off. 1r (Mt intro); 58v (Mk intro); 92v (Luke intro); 146r (Jn intro); 194–199 is paper; 200– is parchment again. 200r begins contents description. 196r is the end of John.
