Marginal correction on 20a

Paginated on every page until page 332, then paginated from then on only on recto

Paginated correctly through 341 (**folio 171a**)

Page 342 is skipped in pagination, **page 343** is then paginated as ‘342’ (off 1);

171b has no number, but 172a is numbered ‘342’: call it **172a**

Page 402 is skipped in pagination, page 403 is then paginated as ‘401’: **202a** (off 2)

Page 404 is skipped in pagination, page 405 is then paginated as ‘402’: **203a** (off 3)

Page 450 is paginated 447 but then paginated correctly in parenthesis as 450: **225b**.
