subtotal:

¹ This MS was formerly misclassified as a minuscule; hence, its proper and current Gregory-Aland number is Lect 2016, while its incorrect and former number is Ms 2560.

² The official catalog of Benaki Museum, *Καταλογος ελληνικων χειρογραφων του μουσειου μπενακη* (10 ος – 16 ος αι.) Athens: 1991, says 11th century. We are inclined to agree with that dating, based on handwriting analysis.
