## pagination

The following is errors in the numeration (this does *not* count the cover; it discusses an error in the numbering that is on the page).

Written# → Actual#

30→ should be 31

40→41

50→51

60→61

70→71

80→81

90→91

100→101

110→111

120→120 (this is correct; a page was skipped between 110 and 120)

130→130

140→140

150→150

159→159 (no 160)

170→170

180→180

190→190

200→200

220→220

230→230

back to errors:

240→242

250→252

260→262

270—272

280→282

290→292

300→302

310→312

320→322

328→330
