

Theological School of Chalki, 7 (7): pencil: 6. Ecumenical Patriarchate, Constantinople. Lectionary 786. 12<sup>th</sup>/13<sup>th</sup> century (the latter date was assigned by Muenster). Euaggelion, parchment. 17x14, 199 leaves, 1+ columns, 21 stichoi.

The pages are unnumbered, the parchment is for the most part in good shape, and the MS is small, almost a pocket lectionary (about the size of *Biblia Sacra*).

Our count: 200 actual leaves + 2 covers. File count is one over leaf count. 19-21 stichoi.

It is our opinion that this MS should not be handled again because of the poor state of the binding.

Photographed by the Center for the Study of New Testament Manuscripts for the Ecumenical Patriarchate, Constantinople, May 2004.
