Notable features (Actual page numbers not written page numbers):

Icon of Mark on 78r, perhaps others.

78v: Mark 1.2—‘in the prophets’

123r: mark 16.8, with τέλος in margin. Probably a lection note.

126r: icon of Luke.

Luke ends on 205v. hypothesis of John begins same page.

208r: icon of John.

208r: John begins.

Very unusual to have the icons on the recto and for there to be text on the reverse of the leaf.

Between 226 and 227 there seems to have been an additional leaf, which was torn out.

227v–228v: PA. no markings.

265ff: lectionary info.
