Columns: 2

Lines per page: 26

Dimensions: 29-29.5 x 22-22.5 cm.

Cover material: Front cover, back cover, spine.

UV (MS pages, not ours): None.

Interesting or significant images: None.

Notes:

Leaf 1 is a fragment with one letter visible. MS folio numbers are -1 throughout.

The desire to reveal text in inner margins necessitates shooting the pages with a trapezoidal appearance.

13b has a quire flap partially glued to the page; it is not possible to shoot the text in the inner margin. Binding material throughout is glued to the page, giving the appearance of additional text, but this is illusion.

64a: folio is numbered "34" but numbering continues normally afterward.

14a has binding material with text; several other similar pages.  
129a text completely into margin.
