<sup>1</sup> Original leather over wood board for back cover still extant, but detached. Two shots required of inside back cover; one with flap in place, one with it pulled back.

<sup>2</sup> Leaf numbers: *actual* is listed first, then =, then the *written* number on the MS in single quotes. Thus: 214a = '212a.' Even though the quotation marks are used, there is no 'a' on the written page. For a MS that is paginated, the *actual leaf* number is listed first, followed by =, followed by the *page number* in quotes. Thus: 214a = '423.'
